

DEPENDABLE SOURCING. CLEAR COMMUNICATION. RESPONSIBLE FOLLOW-THROUGH.

COMPANY OVERVIEW

AMS Healthcare Solutions LLC is a Georgia-based medical-supply procurement and distribution company. We help commercial, institutional and public-sector buyers source non-prescription medical, dental, safety and facility supplies against clearly defined requirements.

CORE CAPABILITIES

- Medical and dental supply sourcing
- PPE and infection-control supplies
- Exam, diagnostic and patient-care supplies
- First-aid, wound-care and laboratory consumables
- Rehabilitation, emergency and respiratory-support supplies
- Sterilization, safety, sanitation and facility supplies
- Quote development and order coordination
- Customer-backed and restock-list sourcing
- Delivery tracking and order follow-through

PRODUCT CATEGORIES

PPE and infection control; exam and diagnostic; patient care and daily living; wound care and first aid; laboratory and specimen collection; dental and specialty; rehabilitation and mobility; non-pharmaceutical emergency and respiratory support; sterilization, safety and facility supplies.

DIFFERENTIATORS

- Founder-led service with 17+ years of healthcare procurement and contracts experience
